Mayfair Life New Old Quebec Street

Westminster Council has just started work on a £500,000 scheme to make Old Quebec Street a new West End 'oasis of calm'. Repaving, improved street lighting, tree planting and new traffic restrictions due for August completion are being supported by contributions from local landowners The Portman Estate, Great Portman Estate, Thistle Hotels, the New West End Company and Transport for London. Comments Westminster's Cabinet Member for Economic Development and Transport Cllr Danny Chalkley: "We hope the streetscape improvements will encourage people to visit the many diverse shops and cafes of the nearby Portman Village". Adds The Portman Estate Chief Executive Hugh Seaborn: "This is a tremendous example of what can be achieved when disparate organisations from public and private sectors work together".
